

POLICY ON QUALITY AND ENVIRONMENT

Quality policy

We are committed to achieving customer satisfaction by supplying superior quality grade tubing and services that are delivered on time. We will accomplish this by continuing to improve our capabilities, complying with requirements, and maintaining the effectiveness of the quality management system.

Environmental policy

Can be seen as included in the regulatory requirements and is expressed in the following sentences:

We are committed to following environmental laws and regulations. We always consider relevant environmental aspects in all parts of the business, to reduce our environmental footprint.
