

## REACH Statement (SVHC)

Thailand, 09 March 2026

### Dear Customer,

Please be advised that, with regard to this list of Substances of Very High Concern (SVHC), updated and published by ECHA (European Chemical Agency) on February 04<sup>th</sup>, 2026. Our suppliers confirm that the materials that we used for the manufacturing of PTFE, FEP, PFA supplied to you are free of the 253 listed substances. Therefore, the substances can be present, if any, only in concentrations below 0.1% (w/w).

Optinova Thailand does not add any of the concerned substances in the manufacturing process. We do not routinely analyze our products for the concerned substances, nor do we require our raw material suppliers to do so. We also do not have control over or complete knowledge of the end use or application of our products. Therefore, the decision to comply or not within specific regulations must ultimately rest with your company.

Please be advised that this statement of compliance is true to the best of our knowledge of the facts and regulations. Furthermore, please be aware that the above-mentioned does not release you from your obligations under the REACH Regulation depending on your role in the supply chain and/or your business model.

For and on behalf of

Optinova (Thailand) Co., Ltd.
