

RoHS Compliance Statement**Company:** Optinova Jomala AB**Scope:** All raw materials and finished products supplied by Optinova Jomala AB

Optinova Jomala AB hereby declares that, based on information provided by our raw-material suppliers, our manufacturing processes, and our internal quality controls, the raw materials and finished products manufactured and/or supplied by Optinova Jomala AB comply with the applicable substance restrictions of **Directive 2011/65/EU (RoHS Directive), as amended**, including **Commission Delegated Directive (EU) 2015/863**.

The RoHS Directive restricts the following substances in homogeneous materials at the maximum concentration values specified below:

Restricted Substance	Maximum concentration (% w/w)
Lead (Pb)	0.1%
Mercury (Hg)	0.1%
Cadmium (Cd)	0.01%
Hexavalent Chromium (Cr ⁶⁺)	0.1%
Polybrominated Biphenyls (PBB)	0.1%
Polybrominated Diphenyl Ethers (PBDE)	0.1%
Bis(2-ethylhexyl) Phthalate (DEHP)	0.1%
Butyl Benzyl Phthalate (BBP)	0.1%
Dibutyl Phthalate (DBP)	0.1%
Diisobutyl Phthalate (DIBP)	0.1%

Optinova Jomala AB confirms that the above-mentioned restricted substances are **not intentionally added** to the products within the scope of this statement and, based on available supplier information and our manufacturing knowledge, are not present above the applicable maximum concentration values specified in Annex II of the RoHS Directive. This statement applies to current production and future production lots unless otherwise specified or unless changes in raw materials, manufacturing processes, supplier information, or applicable legislation require reassessment. This declaration is issued in good faith and represents the best of our knowledge based on information available as of the date of issue.
